

Humanism	a non-religious worldview that focuses on human reason and values
atheist	someone who does not believe in a god
agnostic	someone who thinks we cannot know if a god exists
scientific evidence	information gathered through testing and observation

Big Question: What matters most to Humanists and why?

- How do Humanists decide what is true?
- What do Humanists believe makes a good life?
- How is Humanism similar to religious worldviews?
- How is Humanism different from religious worldviews?
- How do beliefs influence the way people live?
