DID YOU KNOW?

DELIA WAS KNOWN AS THE
'GODMOTHER OF
ELECTRONIC MUSIC.'

Delia Derbyshire

Composer in the *Modern Period*
Born 1937 Died 2001

VIVACIOUS VOCAB

ELECTRONIC - TRAILBLAZER - RADIOPHONIC - SOUND
EFFECTS - CREDIT - RECORD - SPLICE

FANTASTIC FACTS

BORN IN COVENTRY, SHE GREW UP HEARING THE
EERIE SOUND OF AIR RAID SIRENS AND BECAME
FASCINATED WITH MUSIC

IN 1960 DERBYSHIRE JOINED THE BBC
RADIOPHONIC WORKSHOP, A SPECIAL TEAM WHO
PROVIDED UNUSUAL SOUND EFFECTS AND MUSIC
FOR RADIO AND TV PROGRAMMES. THE WORKSHOP
CREATED THE SOUND OF THE TARDIS AND THE
VOICE OF THE DALEKS.

RON GRAINER, COMPOSER OF THE DOCTOR WHO
THEME, ALWAYS SAID DELIA DERBYSHIRE SHOULD
RECEIVE A CO-COMPOSER CREDIT FOR HER
ARRANGEMENT BUT IN 1963 THE BBC PREFERRED
TO KEEP THE WORKSHOP ASSISTANTS ANONYMOUS
SO DELIA'S CREATIVITY WASN'T RECOGNISED.
