

Family: The people who look after you and love you, like your parents, carers, brothers, and sisters.

Care: Being kind and looking after someone or something.

Love: A very strong feeling of liking someone a lot and wanting them to be happy and safe.

Belonging: Feeling happy and safe because you are part of a group, like your family or class.

Friend: Someone you like to play with and who is kind to you.

Help: Doing something kind to make things easier for someone else.

- What is a family?
- How can you be good to your friends?
- Who can you ask for help?
- How can you greet people?
