

Dream: an aspiration, idea or something greatly desired.
Goal: the goal is the intention of an activity or a plan.
Realistic: showing a sensible idea of what can be achieved.
Unrealistic: having ideas or hopes that are too big, silly, or not based on what's actually possible.

- What are my personal learning goals this year?
- What steps can I take to achieve them?
- What is my dream for the world?
- How can I work with others to achieve my dream for the world?
