

minority faith	a religion followed by a smaller number of people
compassion	showing kindness, care and concern for others
karma	the belief that actions have consequences
philosophy	a way of thinking about life and the world

Big Question: What can minority faiths teach us about living a good life?

- What is the difference between minority and major religions?
- How do different minority faiths help people make decisions?
- What similarities can you find between minority faiths?
- Why is it important to learn about beliefs that are different from our own?
