EARLHAM EARLY YEARS NEWS

Reception

Date: 16.10.26

Dear Families,

Thank you for attending our Family Friday. Well done to the children for working so hard!
We hope you all have a wonderful weekend.

What have the children been learning?

Our topic is “people in my life”. This week was innovation week so we edited and changed the story ‘A Brave Bear’. Please ask your child about their new story. Encourage your child to use full sentences. Our oracy sentence stems are below:

For example:
“I like this story…because..”
“In the beginning of the story…”
“My favourite character is…because…”

This week in maths, we leant to count "one more, one less". Ask your child to find a specific number of objects in their home, then finds one more and one less of that number of objects. For example, if a child finds 3 toy cars, they can then find one less than 3 cars and it is 2, or one more than 3 cars it is 4.

Important Messages:

Family Friday

On Friday 23rd October, we will be visiting the community garden at the end of Earlham Grove Road. We are looking forward to enjoying this experience with the children!

PE

PE will be every Tuesday in the afternoon so please ensure your child is wearing the appropriate outfit including joggers/leggings and trainers.

Reading

Please take time to read books with your child when you can, as this will greatly enhance your child’s language skills and love of reading!

Website: Please check the school website regularly for notices and newsletters.

Thank you,
The Reception Team
